

Core Plan & Core Plus⁺

Discretionary Reward

**Let's Rise Together -
From AM50 to A70**
with the Amway Compensation Plan

CorePlan | CorePlus⁺

The **Amway Compensation Plan (Core Plan)** is the foundation on which Amway Business Owners (ABOs) are rewarded and recognised. It represents what ABOs can earn through their contract with Amway from selling products to customers and helping ABOs they sponsor do the same.

The **Amway Core Plus⁺** discretionary incentives, on the other hand, are a standalone program. The latter is separate from – but complementary to – the Core Plan, creating greater alignment by building on the Core Plan income. Core Plus⁺ incentives reward key achievements of ABOs in building a sustainable, balanced business.

Eligibility for Core Plus⁺ incentives is at Amway's discretion based on compliance with the Amway Rules of Conduct and demonstration of high ethical and business standards aligned with Amway's goals and objectives.

New ABOs and Business Builders

Amway's research shows that early and meaningful earnings help business owners start strong and stay inspired. Business owners can begin earning incentives by selling products to customers and helping ABOs they sponsor do the same.

Leaders

Earn more from the Core Plan and Core Plus⁺ with sustainable growth and a balance of width and depth. Building qualified legs can increase your rewards – year after year!

Amway reserved the right to change the awards & rewards as it deems fit.

Core Plus⁺ Incentives are Designed to:

- ▶ **Increase rewards for selling** for the person closest to the sale of products.
- ▶ **Pay more meaningful early income.**
- ▶ **Encourage profitable structure earlier** by rewarding ABOs as they sell products to customers and build a team who does the same.
- ▶ **Recognise ABOs sooner** on their journey towards sustainable selling and business-building activities.
- ▶ **Preserve leader income and equity** with premium compensation opportunities.

Amway is Investing in Business Owners

With the support of the founding families, Amway is investing even more in business owner compensation

Maintains full support for leader compensation without reallocating any funds.

3 Ways to Earn on Product Sales

Through your Amway business, you offer a broad portfolio of high-quality products. Selling these products to customers can earn you money and monthly rewards.

1 Retail Margin

When you sell Amway products to customers at the suggested Retail Price, you keep the difference between the retail price and ABO Price.

**SUGGESTED RETAIL PRICE - ABO PRICE
= RETAIL MARGIN**

**EARN MORE
WITH EVERY SALE**

2 Core Plan Bonuses

You earn points on all the products you sell. Those points add up to determine monthly bonuses from the Core Plan. If you choose to build a team and sponsor other business owners, you earn points on the products they sell too.

YOUR POINTS + DOWNLINE ABO POINTS = BONUSES

3 Core Plus⁺ Discretionary Incentives

Programs like Core Plus⁺ award extra money for sales-based business achievements. These are awarded at Amway's discretion and are subject to change.

Monthly Bonuses on Your Volume

Your business can help you earn bonuses each month. Amway calculates monthly bonuses for you based on the PV and BV that you and your team generate by selling products to customers and purchasing it for personal use.

Personal Performance Bonus

Earned on personal volume (PV) that you generate by selling products to customers and purchasing it for personal use.

To find your Performance Bonus percentage, add your Personal PV and Pass-Up PV from your team. Refer to the schedule.

How it is calculated:

$$\begin{aligned} & \text{MONTHLY PERSONAL BV} \\ & \times \text{PERFORMANCE BONUS PERCENTAGE} \\ & = \text{PERSONAL PERFORMANCE BONUS} \end{aligned}$$

Performance Bonus Schedule

GET A TEAM GOING

Your customers and other people you know may be interested in starting an Amway business. You can be their sponsor and earn additional bonuses and incentives when they sell Amway products and purchase for personal use.

Help Downline ABOs Qualify 21% to Increase Core Plan Bonuses

Your monthly bonuses can grow as your team grows and sells products. Earn rewards for coaching others in building their businesses.

Leadership Bonus

Earn 6% for helping downline ABOs qualify at 21%. Leadership Bonus is calculated from the furthest downline in each leg who qualified at the 21% Performance Bonus level. Six percent of that ABO's BV is rolled up to his/her immediate sponsor. A sponsor keeps **ALL, SOME or NONE** of this amount, depending on their volume.

Refer to the Business Manual for full details.

Example Of Bonus Calculation

Depth Bonus

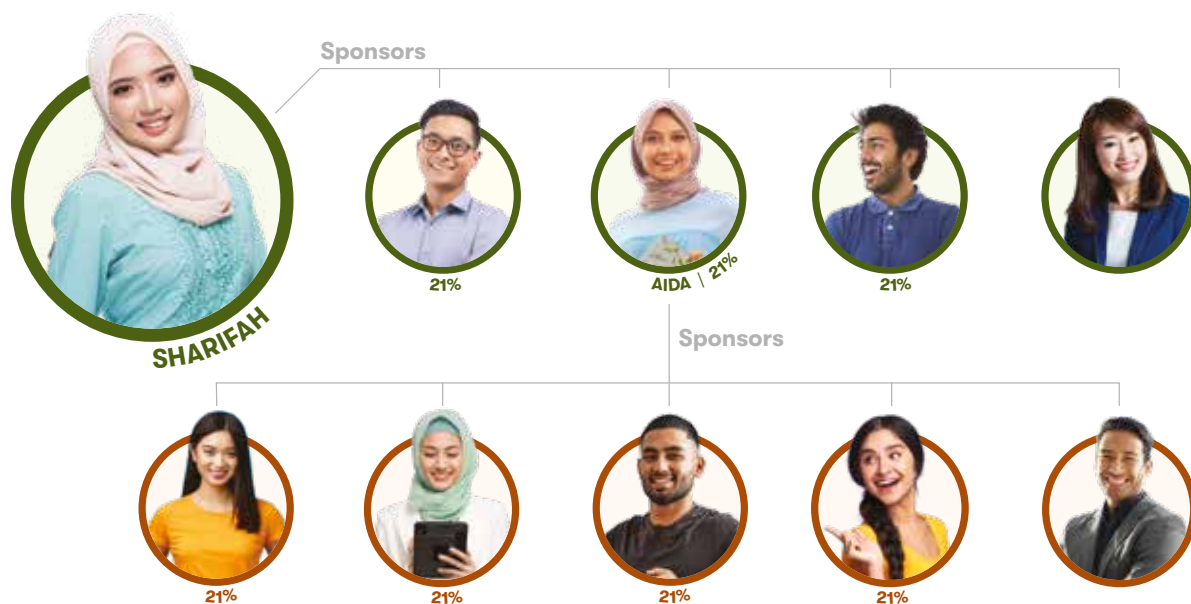

Earn 1% of BV for building a team of qualifying ABOs in terms of depth. Receive a Depth Bonus when you have three or more in-market frontline legs at the 21% Performance Bonus in a month and at least one of those frontline ABOs has one or more downline qualified at 21%. Depth Bonus is calculated separately for each qualified leg.

Example Of Bonus Calculation

Bonus is based on the four 21% downline ABOs that Aida sponsors, each qualifying with 12,500 PV and 53,750 BV.

For each 21% Leg: $53,750 \text{ BV} \times 1\% = \text{RM}537.50$

$\text{RM}537.50 \times 4 \text{ qualified downlines} = \text{RM}2,150 \text{ monthly Depth Bonus}$

ANNUAL LEADER BONUSES

Each year, Amway rewards leaders for building sales volume with three annual bonuses. The total for each bonus is based on the total in-market BV and/or qualified international volume for the year.

Aim for Ruby Volume to Make the Most

A balanced business can be more profitable. The Core Plus⁺ discretionary incentives reward best practices by paying multipliers on the sales volume or Core Plan bonuses. The more you earn under the Core Plan, the more you can earn under Core Plus⁺.

Ruby Volume Can Help You Earn More

More Ruby Volume* can mean:

- ▶ Maximum Leadership Bonuses on downline qualified legs
- ▶ Opportunity for future frontline qualified legs
- ▶ More income from Differential Bonus on non-qualified legs
- ▶ Extra Core Plus⁺ incentive earnings

*Ruby Volume includes Personal Volume plus Pass-up Volume from any downline who has not qualified at the 21% Performance Bonus level for the month. The Downline Platinum volume is not included, regardless of whether or not they have achieved 21% Performance Bonus for the month.

Personal Group Growth Incentive⁺

Earn extra on the way to Founders and beyond. At the end of the Performance Year, you can earn a fixed amount based on total Personal Q (PQ) month achieved.

- ▶ Earn a PQ each month you reach 12,500 Ruby PV or 5,000 Ruby PV with a leg or more at the 21% Performance Bonus level.
- ▶ Personal Group Growth Incentive⁺ amount will be determined by the total PQ months achieved in the performance year.
- ▶ Must at least maintain PQs compared to the previous performance year.
- ▶ Generate 1,200 PV or more in Personal Volume each year.

Available every year an ABO qualifies.

Build a Sustainable Structure for Greater Profitability

Develop emerging downline leaders. Help them build strong, qualifying businesses balanced in width and depth. Optimal business structures can lead to higher earnings and long-term growth.

Frontline Growth Incentive⁺

Coach downline leaders to go for Founders Platinum. Keep increasing the number of legs with sales that qualify them at the 21% Performance Bonus level and get rewarded every year.

At the end of the Performance Year, you can earn an annual multiplier on Core Plan bonuses.

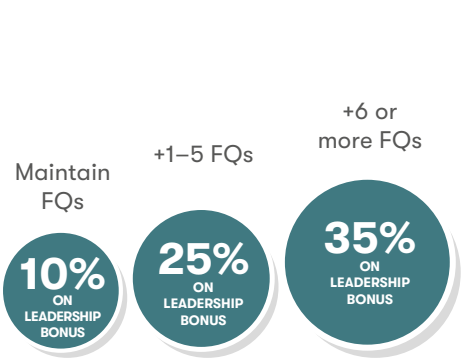

- ▶ Earn a Frontline Q (FQ) each month for every in-market frontline leader who qualifies at the 21% Performance Bonus level.
- ▶ Maintain or increase FQs compared to the average of the immediate past 2 Performance Years.

E.g.: **a** ABO X achieved 10 FQs in PY24 & 12 FQs in PY25. Hence, PY26 Baseline for ABO X is 11 FQs.
b ABO Y achieved 7 FQs in PY24 & 12 FQs in PY25. Hence, PY26 Baseline for ABO Y is 9 FQs.

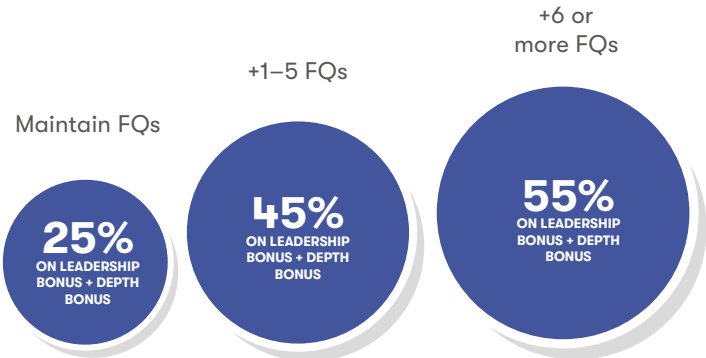

- ▶ Generate a minimum of 30,000 Ruby PV annually.
- ▶ Generate 1,200 or more in Personal PV each year.

Available every year an ABO qualifies; no limit to the number of payments.

Founders Platinum To Founders Emerald

Two-Time Cash Incentive⁺

Reach new levels. ABOs can qualify for an incentive the first time they qualify for a pin, and earn another incentive by requalifying the next year.

Note:

- Payments are cumulative; an ABO can earn multiple Two-Time Cash Incentive⁺ payments for multiple qualifications during a year.
- Payments are additive; second-year payments from a prior year qualification can be paid on top of new first-year payments for achieving higher qualifications.
- Requalification payment is earned only if the ABO achieves the same award level in the second consecutive year.

Know the Key Concepts

Please refer to the Business Manual and your upline for details.
Use this section as a convenient guide.

Definition

Point Value (PV)

Point Value is a unit amount assigned to each product. The total PV associated with your group's monthly volume is tracked to determine your Performance Bonus bracket. The higher your PV, the higher percentage (up to 21%) used in calculating your bonus.

Business Volume (BV)

Business Volume is a dollar figure assigned to each product. The total BV associated with your monthly volume is multiplied by the percent from the Performance Bonus Schedule to determine your gross Performance Bonus.

Leg

When an ABO registers an individual and helps them build a team, a "Leg" in the Line of Sponsorship (LOS) is formed.

ABO Performance Year (PY)

1 September to 31 August.

Balanced Business

ABOs can build a balanced business by selling products to customers and helping ABOs they sponsor do the same.

Bronze Pin

Through the Core Plus* discretionary incentives program, ABOs can earn a Bronze pin in the first month they qualify for the Bronze Builder Incentive*.

Personal Q (PQ)

ABOs earn a Personal Q each month they achieve 12,500 Ruby PV or 5,000 Ruby PV with a 21% Leg. Through the Core Plus* discretionary incentives program, ABOs can earn a fixed amount on qualifying months by increasing or maintaining their total Personal Qs compared to the prior year.

Frontline Q (FQ)

ABOs earn a Frontline Q for every in-market leg that qualifies at the 21% Performance Bonus bracket in that month. Through the Core Plus* discretionary incentives program, ABOs can earn an annual multiplier by increasing or maintaining their total Frontline Qs compared to the prior year.

Amway ABO Compensation Plan (Core Plan)

Please refer to the Business Manual for details.

Amway Core Plus Discretionary Incentives Program (Core Plus*)

The Amway Core Plus discretionary incentives program rewards key achievements of ABOs in building a sustainable, balanced business. Incentives are awarded at Amway's discretion, may change from year to year, and are separate from and in addition to the Amway ABO Compensation Plan (Core Plan). **ABOs must be in good standing with Amway to qualify (see Amway Rules of Conduct) in the Business Manual.**
